

LITTLE NINJAS

GIVE YOUR CHILD A HEAD START IN LIFE

Specifically designed for boys & girls aged 3- 6
In conjunction with teaching the preschoolers
Martial Arts basic techniques, our program will also
include life, health and safety skills.

Do you want your child to get;

- **HIGHER GRADES**
- **HIGHER SELF ESTEEM**
- **HIGHER CONFIDENCE**

The classes are fun & high energy and our Program will;

- **Teach "Stranger Danger"**
- **Teach sharing & taking turns**
- **Develop self-esteem and a sense of independence**
- **Promote coordination & stamina**
- **Promote physical strength & motor skills**
- **Teach self control & respectful behaviour**
- **Demonstrate responsibility**

This program also teaches the children more than Martial Arts. It teaches them to be good citizens and to be prepared for life. These skills will help the students become well-rounded by developing the child's social, emotional, physical and intellectual growth.
